Dear Retiree,

We hope you will be interested in renewing old friendships and helping our association become a stronger voice in Rhode Island athletics. Enclosed you will find a membership form for our association. We know you probably do not miss the hectic schedule of an athletic director and are enjoying a more laid-back life. However, our hope is that you would still like to be apart of a group that wants to make a difference in athletics for our kids. .

Please consider becoming a member. We certainly would appreciate it. Remember, **THERE IS NO FEE FOR SOCIAL EVENTS, IF YOU ARE A MEMBER.** Please return your membership form by **August 8th**. Remember to fill in your size. As a member you will be receiving a membership card and an association gift when you attend your first social event. Thank you in advance for taking the time to consider our request.

Sincerely,

Elizabeth Penkala, CAA

Executive Director

FYI: This year our association inducted Thomas Delaney, Narragansett/Warwick Vets and Phil Kershaw, West Warwick as the tenth class into our Hall of Fame.
